

THE
CAULDRON
1936

THE THINGS THAT HAPPEN
EVERYDAY DURING THE
SCHOOL YEAR SEEM UNIM-
PORTANT AS COMPARED TO
THE OTHER MORE ELABORATE
AFFAIRS, BUT THEY ARE
REALLY THE FOUNDATION FOR
ALL THE OTHER HIGH SCHOOL
ACTIVITIES. IN THE TOUR,
GLIMPSES OF CLASSES AND
OTHER FAMILIAR SCENES HAVE
BEEN TAKEN TO SHOW WHAT
SCHOOL-LIFE IS REALLY LIKE.

DOWNERS GROVE
COMMUNITY HIGH SCHOOL

Center Building Completed, 1928

West Wing Completed, 1936

1935-36 Enrollment, 900 Students

1. The new west entrance saves time for those coming from the parking space.

2. Looking down the third floor corridor from the new west wing.

3. Miss Phelps and Miss Shotola keep the school records.

4. Mr. Johnson, principal, dictating a letter to his secretary, Connie Crowther.

5. Girls take their problems to this office and always receive understanding guidance from Mrs. Andersen.

6. Everything but spring fever can be cured in the clinic.

7. Travel into the library and join the wise men of the world.

8. Staff members of High Life, the school paper, have acquired a new office this year.

9. Get 'em now—tickets for the big game.

10. Free Parking.

DOWNERS GROVE, ILLINOIS

1. First come first served.

2. Add one cup of sugar and one cup of milk and you have?

3. Girls learn to sew and add to their wardrobes.

4. Mrs. Perkin and her helpers plan and prepare lunches every noon.

5. Future architects lay the foundations of their careers.

6. The work shop and the buzz saws!

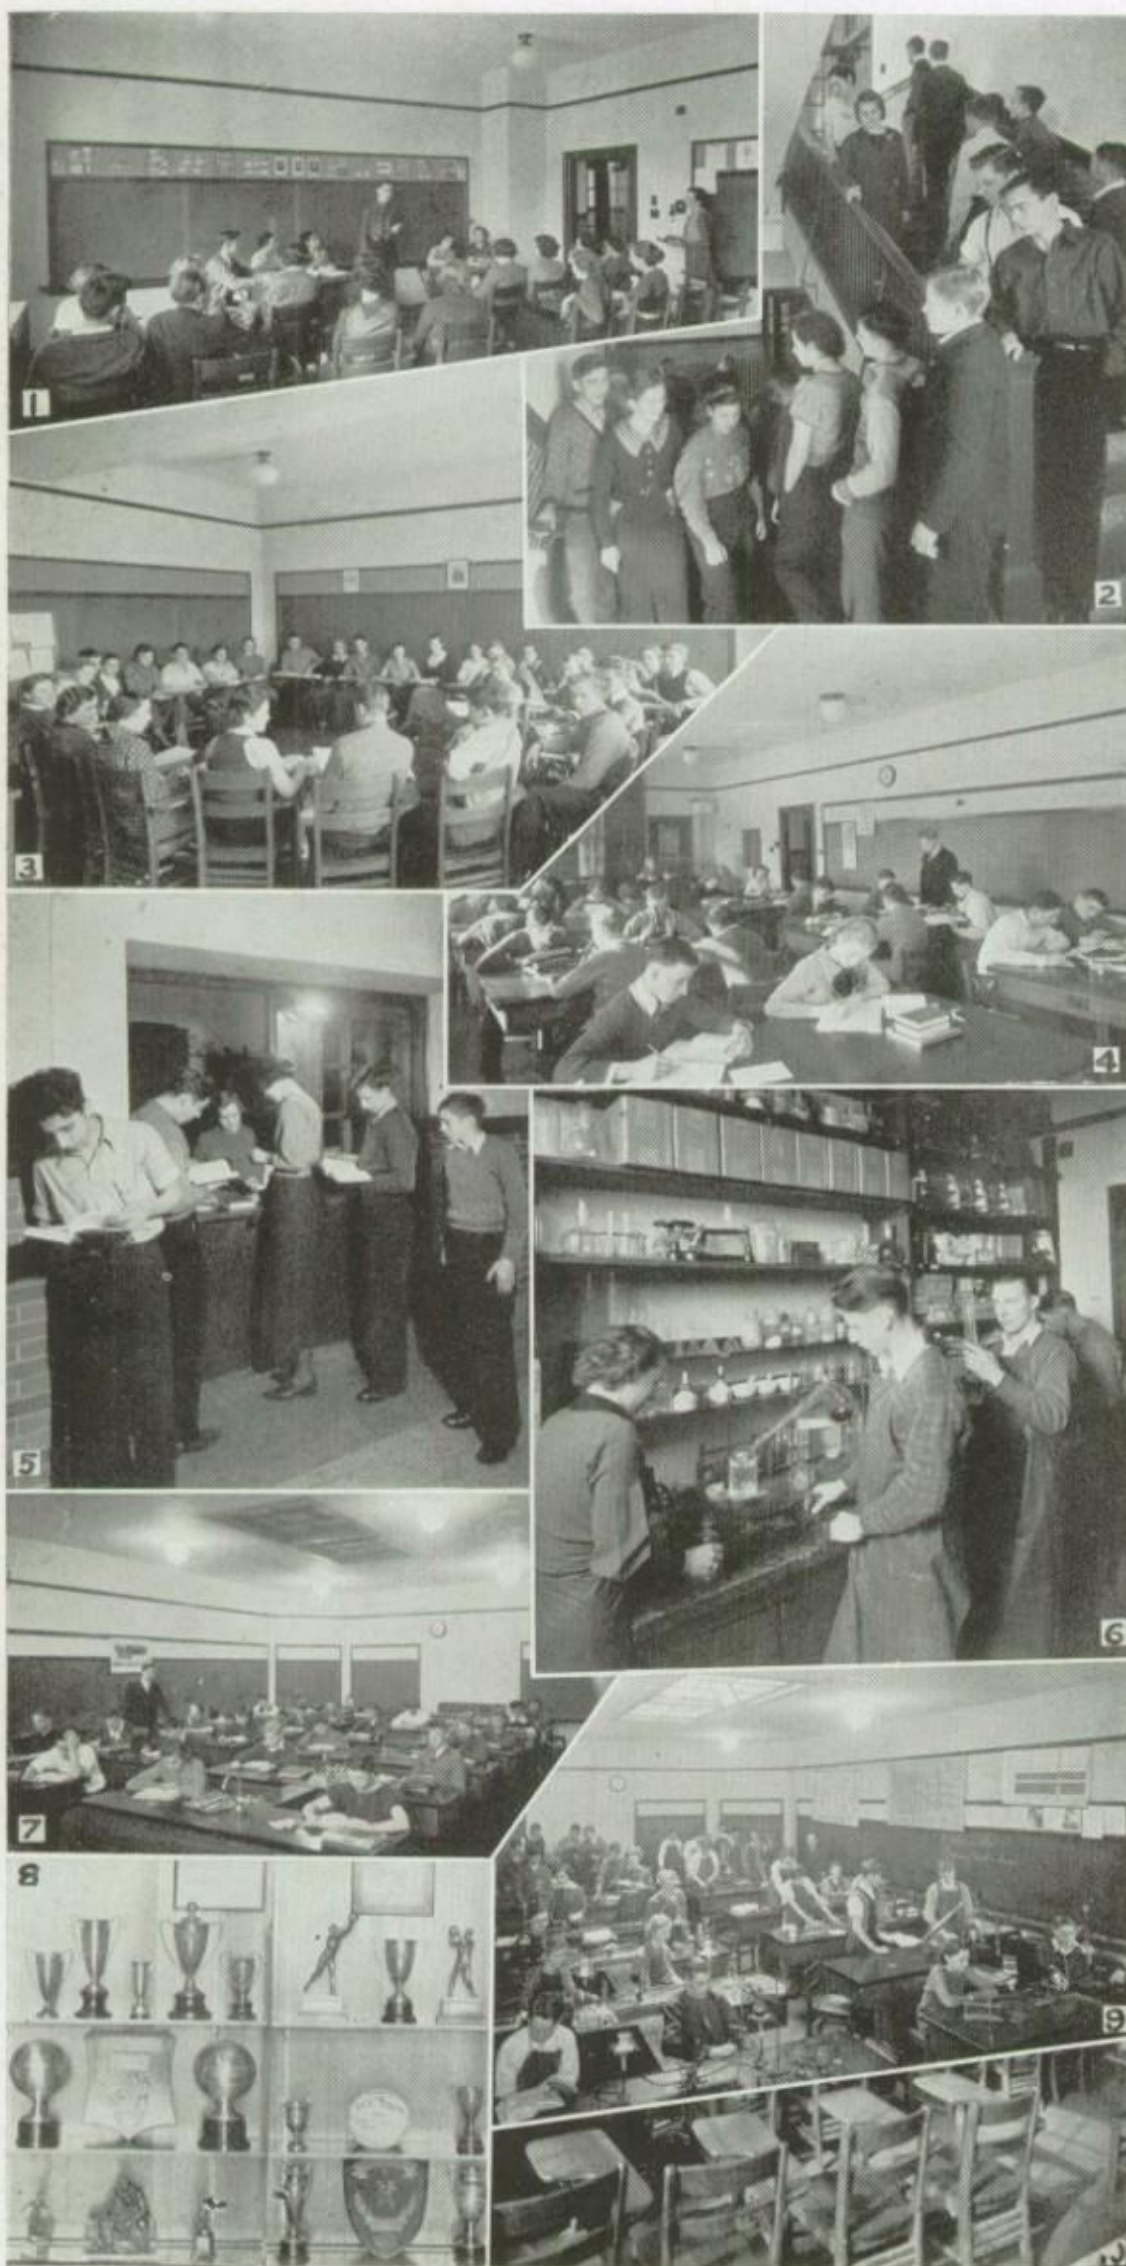

7. The busy janitors stop work long enough for a picture. Left to right: Chief Janitor Leverenz, Cryder, VanderPloeg.

8. This is the reason our building is warm even at 20° below.

9. All this intricate equipment is necessary in producing the school plays and operettas.

John Vander Ploeg
During Leverenz
 Thirteen

1. Learning to debate in junior public speaking class.
2. Passing from assembly to classes—notice the happy expressions.
3. The senior Rhetoric class discusses hobbies in an informal group.
4. Budding biologists dissect animals with glee.
5. The book store as it looks almost every morning.
6. Lab. assistants take care of the Chemistry supply room.
7. Study period in a General Science class.
8. Trophys and more trophys!
9. Lab. day in Chemistry
10. After four o'clock.

DOWNERS GROVE, ILLINOIS

1. Selling candy during lunch hour and after school.

2. American History students listen to a special report.

3. Three seniors in a restful pose by the new lockers.

4. French students study industriously "pour la dictée".

5. An unusual picture of the freshmen studying.

6. Interesting discussions of life problems were part of the new class presented by the deans.

7. Typing is an important factor in the commercial field.

8. Proving that $\triangle ABC = \triangle XYZ$ is important in Geometry.

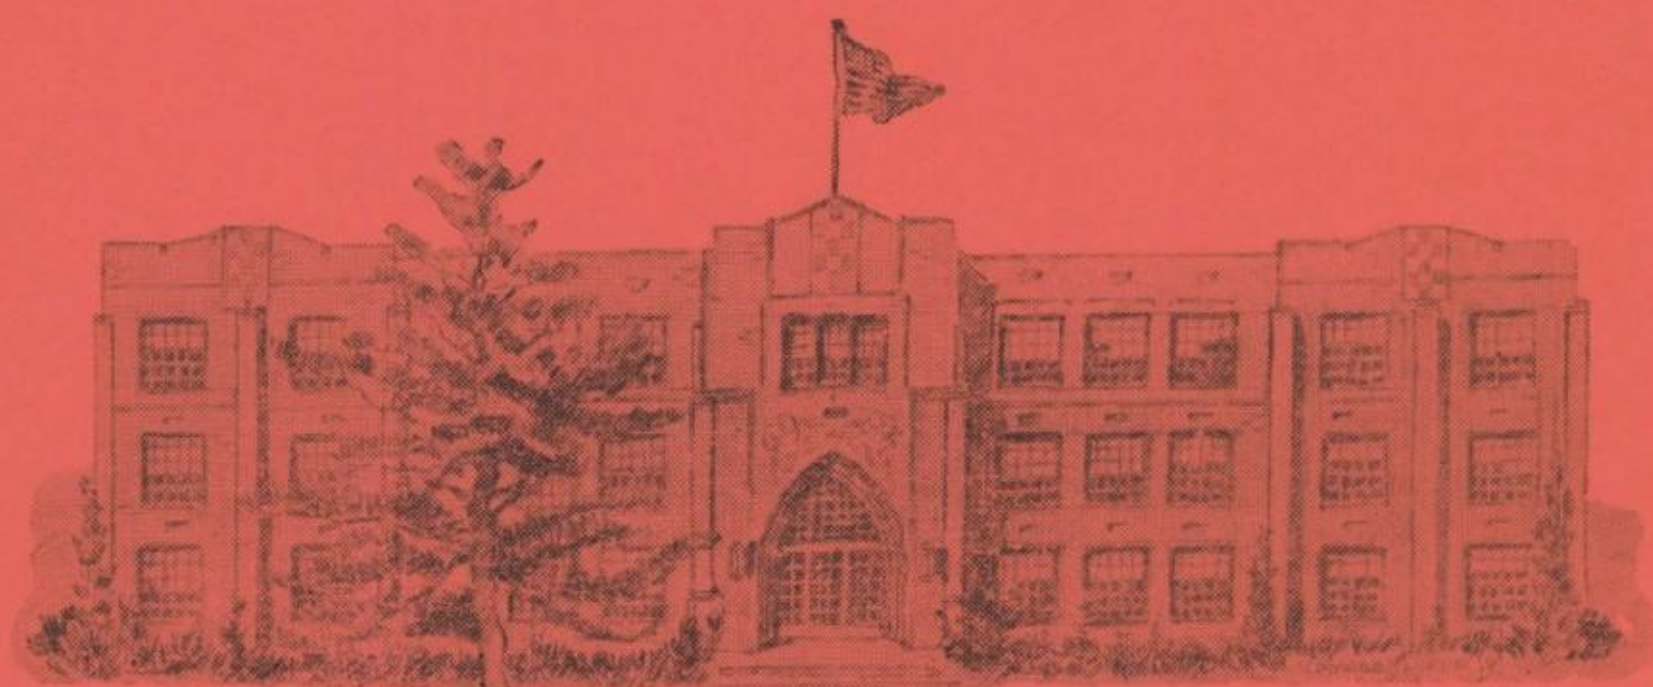

9. Downers "Yo!" circle.

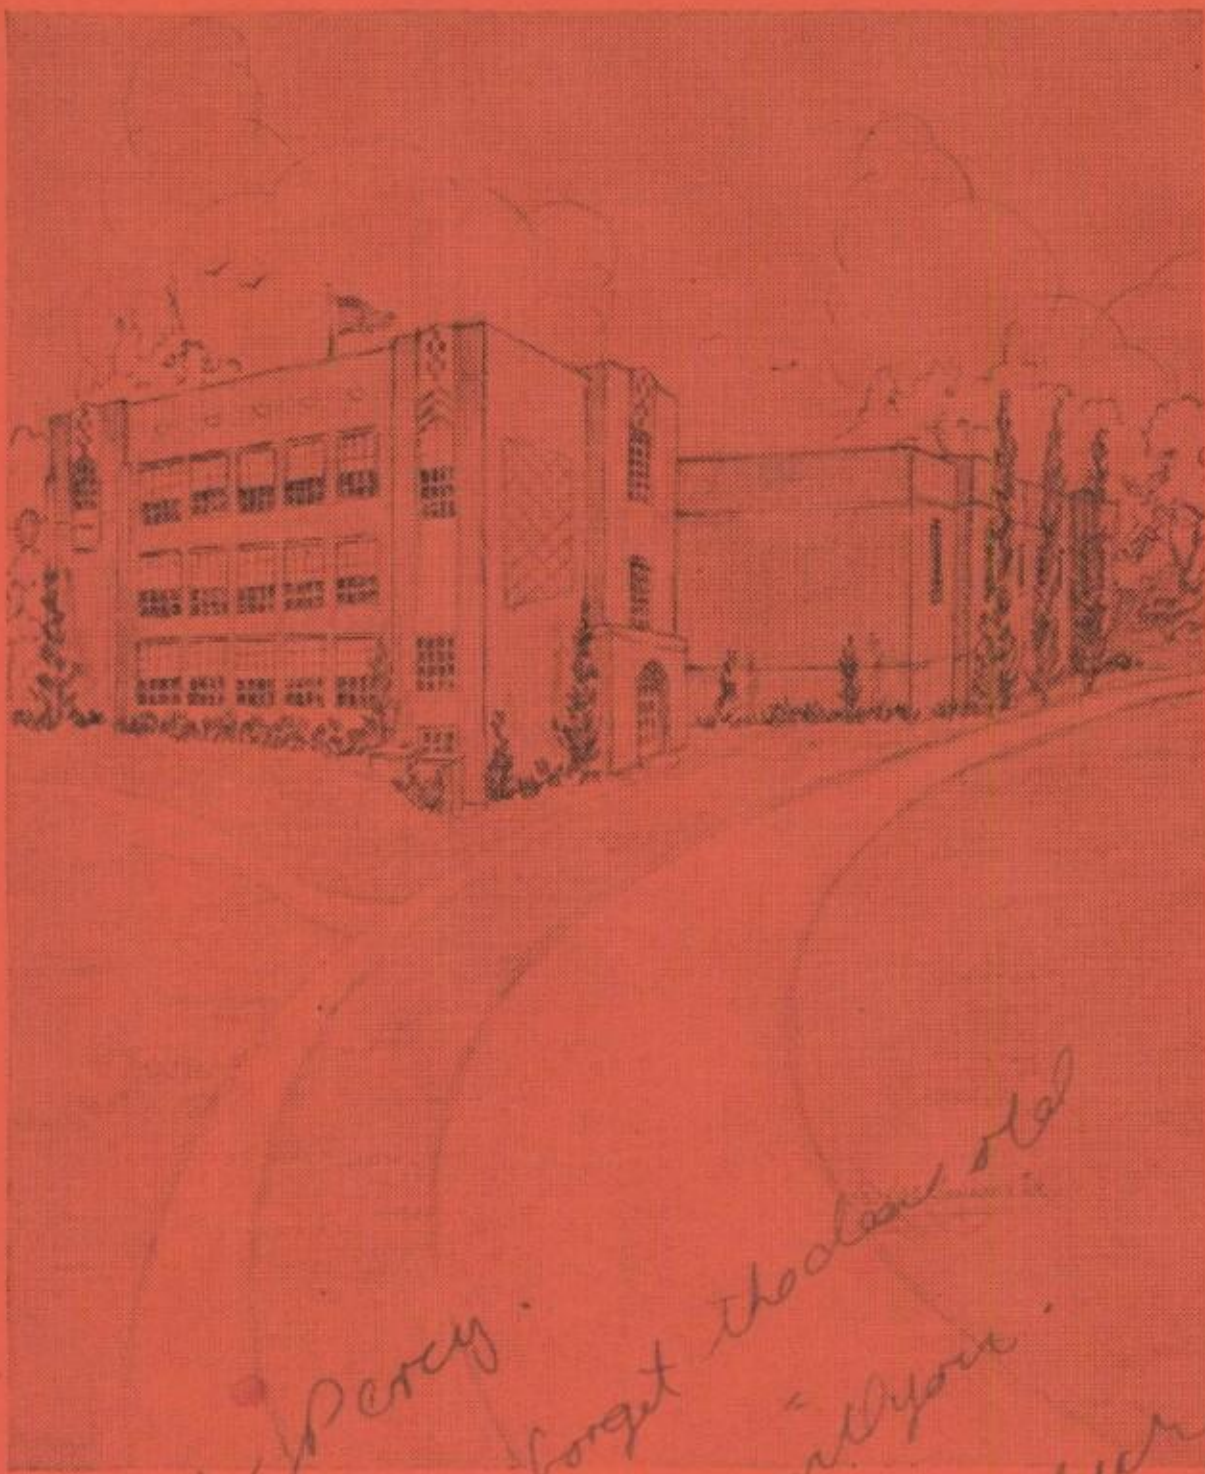

The auditorium plays an important part in High School life. During the basketball season it is used for practice and for home-games. When the cyclorama is drawn the stage is set for school plays, operettas and vaudevilles, and before these are given much time is taken up with rehearsals. Besides these outside activities the auditorium is also used for band practice the first period of every day, and for gym classes the rest of the day. Assemblies in the auditorium are enjoyed by the students every Friday morning.

SCHOOL COUNCIL

The School Council is a representative body of students and faculty which was established to direct student activities and to promote the growth of real school spirit. Each of its members is elected from his home room. For eligibility to this association students must have at least a "B" scholastic standard and a good character rating. It is through this organization that the wants of the student body are brought before the administration and suitable legislation provided. The Council has achieved many worthwhile ends: it has published a hand-book, organized several clubs, and has co-operated generally with the faculty and student body in effecting desirable changes or introducing new methods. It is now in its fifth year and has earned its honored place in the list of organizations. The officers for the past year were: president, Wilbur Littleford; vice-president, Virginia Corson; secretary, David Jenkins; social chairman, Frances Foley.

NATIONAL HONOR SOCIETY

The National Honor Society is made up of Juniors and Seniors who meet the high requirements in scholarship, leadership, service, and character sustained by this organization. Each year students are rated in the aforementioned characteristics by faculty members and the outstanding people up to five per cent of the Junior class and fifteen per cent of the Senior class are elected to the Society. The existence of such an institution as the National Honor Society encourages students to improve themselves and provides a fitting reward for those whose work is of a superior quality. At an assembly in May the newly selected members are presented with the National Honor Society Emblem, a gold pin appropriately engraved with the torch of knowledge.

THE TROJAN

1935

QUILL AND SCROLL

To promote an active interest in journalism our school maintains a chapter of Quill and Scroll, the international honorary society for high school journalists. Only schools which are outstanding in the quality of their journalistic accomplishments may have a chapter of this society. This year seven members of High Life staff were elected to the society. They were awarded badges in an assembly at which James J. Colvin, assistant feature editor of the Chicago Daily News, spoke. Membership to Quill and Scroll is granted on the basis of quality of work, character, scholarship, and service to the publication. The most important work of the local chapter is the editing of the Trojan, an annual literary magazine.

TROJAN

Sponsored by the local chapter of Quill and Scroll, the Trojan is an anthology of verse and prose written by the students. The purpose of the Trojan is to stimulate interest in creative writing and to provide an outlet for student talent. It is published only once during the school year and contains work collected throughout the year from English classes and from unpublished contributions to High Life. Before the Trojan was established, the Cauldron contained a department for literary work, but with the growth of the student body and the need for space in the annual this section had to be eliminated. The Trojan rounds out the school's journalistic activities giving students three types of publications, newspaper, year book, and magazine.

BAND

The high school band this year was one of the best in years despite the fact that it has twenty-one new members and that it lost many first chair players by graduation last June. The band has appeared at all the athletic events during the school year as well as all the class plays. Two formal concerts were given and another, the annual tag day concert, was given the last of May. The band won first division honors at the district band contest and played in the state finals contest in April. Mr. Shoemaker is in charge of and directs all instrumental music.

A C A P P E L L A C H O I R

This year the A Cappella choir broadcast three times from the N. B. C. studios in Chicago over a national hook-up. Besides their radio activities the choir took part in several other programs. They gave a concert of sacred music and spirituals at the Methodist Episcopal church, helped present a Christmas program for the parents of High School students and took part in an exchange assembly at Maine. Dressed in colorful riding clothes the organization had an act in the Carnival singing "Oregon Trail" and "Boots and Saddle."

SPECIAL CHORUS

Although vocal music is an optional study, approximately one-fourth of the student body participates in it. Beginning classes study the rudiments of music, harmony, and the lives of great composers. From these classes those singers who show the most promise are placed in the special choruses. At Christmas time the combined choruses make their first public appearance in a program of appropriate music which is presented to the parents and student body. Practical experience in singing, a fine understanding and a keen appreciation of good music comes to the student through his participation in chorus work. All vocal music is under the tutelage and direction of Mr. Pohlmann.

GIRL RESERVES

"To find and give the best" is the purpose of this large organization which includes the majority of the girls in school. The club is divided into two groups which are in turn divided into hobby groups according to individual interests. Primarily the Girl Reserves is a service club, filling Thanksgiving and Christmas baskets and engaging in other charitable enterprises. This Christmas, a classroom was converted into a toy shop and the girls in collaboration with Hi-Y boys painted and repaired old toys for children of relief families. A doughnut and apple sale in the spring was held to raise money for graduation clothes for needy grammar school girls. Besides its social service work the Girl Reserves has a well-filled social program, the G. R.—Hi-Y barn dance being one of the outstanding social successes of the season. The last event of the year was a Mother-Daughter tea at which new officers were installed and rings and spoons were awarded the girls who had served the organization best.

HI-Y

The Hi-Y has as its goal the attainment of good standards of Christian character. Their program is centered about the four C's—Clean speech, Clean scholarship, Clean sports, and Clean living. At the regular meetings the boys discuss political, economic, religious, social, athletic, and vocational problems. Their social development is encouraged by the annual Hi-Y—G. R. Dance, and other events such as the ping pong tournament and the Father and Son dinner. Hi-Y is closely associated with other schools in being one of the nine members of the West Suburban Hi-Y council. The Junior-Senior officers for this year are: president, Bill Staiger; vice-president, Paul Blaida; secretary-treasurer, Bill Taylor; council representative and treasurer, Stewart Millsap. The officers for the Freshman-Sophomore group are: president, Marvin Hall; vice-president, Charles Sheridan; secretary-treasurer, Arthur Schlauder.

DEBATING

Although a comparatively new organization, the debate club made rapid progress. Debate teams were chosen this year and conference debating became an organized school activity. The club held its' meetings once a month but members of the squad could be found at work on briefs and speeches almost any day after school. Practice debates were held with teams from Dwight, Sandwich, Proviso, East Aurora, Elgin, and Wheaton. Three conference debates were entered with Hinsdale, Maine, and La Grange. The affirmative was defeated in all three debates while the negative lost only to La Grange. Officers for the club were: president, Nathalie Schwander; vice-president, John McGuire; secretary, Margaret Dadds; treasurer, Mason Taylor; journalist, John Newton Moore. Mr. Street was the club advisor and coached the debate teams.

FRENCH CLUB

The French club is an organization to stimulate an interest in foreign countries, their languages, and their customs. The meetings are held during class periods once a month, and consist of various reports on France, French plays, and fascinating talks by Miss Howland on her trip to Europe. At one meeting, Mrs. L. K. Hart, a fine linguist, entertained the club with several amusing French stories. The students had a pot-luck supper, and Miss Daveys, a teacher from the Avery Coonley School, gave an account of her experiences teaching in France. The main social event of the year was the International Dance and the French club, which collaborated with the Spanish and Latin groups, was partly responsible for its success. This year the stage was decorated with patriotic streamers of red, white, and blue. A long line of flags from the countries Italy, France, Spain, and England was hung above the orchestra. The French group enjoyed receiving paintings and drawings from the International High School Museum, where student projects are sent and then exchanged for the work of students from other countries. The club has been invited to participate in sending contributions to the exhibit at the World's Fair in Paris in 1937. By paying ten cents any student can purchase the name and address of a French correspondent. The letters are often brought to class to be translated and their contents are very amusing. The officers for the first year French students are: president, Mary Ann Bruns; vice president, Howard Dill; secretary, Arthur Lautz. The officers of the second year class are: president, Kenneth Jones; vice president, Dorothy Anderson; secretary, Bernice Bozynski.

SPANISH CLUB

The Spanish club was organized to acquaint the students with the customs and manners of Spanish speaking countries, and to provide practical use for Spanish. The club had Louis Montero speak to them about Cuba and Mr. Mason Taylor gave an account of his trip to Mexico. He brought three student musicians to the meeting, and they played "Cielito Lindo" on their instruments while the Spanish group attempted to sing it with them. For a social event, they had an enjoyable Christmas party in the sewing room. Marvin Hall dressed as Santa Claus and distributed candy bars to all the children. After the refreshments, which consisted of Frosticks, the members played games and danced. Miss Louise Tellkamp, a former teacher in Brazil, gave a talk at this Christmas party on her experiences at Iguazu Falls. The most important social event of the year for the language students is the International Dance and the Spanish group helps the other language clubs to make it a success. The program started with the "Parade of Nations" in which several students exhibited the style and dress of foreign countries. While a few members sang Spanish and French songs Donald Warner, the cartoonist, drew pictures of a cupid, a lamb, and a soldier to portray the meaning of the words. The club has a set of officers for each class, and the presidents are: Fred Wilbur, Jane Volberding, Douglas Jordan, Bob Weiss, and Robert Roster. Miss Howland is the advisor for both groups.

LATIN CLUB

The purpose of this club has been to increase the understanding of Latin and of Roman customs, to provide educational as well as entertaining programs, and to promote friendliness among the Latin stu-dents. The members met once a month to enjoy readings, Latin plays, and special music. At one meeting slides on the customs of ancient Romans were shown, and at another a pantomime was given. The outstanding events of the Latin club were the International Dance and the Roman Banquet. The mem-bers came to the dinner dressed in quaint Roman gowns fashionable during Caesar's reign. Place cards were in the form of scrolls, and contained the menu and program written in Latin. The menu was: Gustatio, Fercula, Membra, Gallinae, Piso, Tuber en Apio, Salada Olerum, Panis Oleum, Radices et Olivae, Mensae Secundae, et Glacias Duces. The program consisted of an acrobatic dance by Margaret Tee and a juggling act by Wendell Fishell. Several of the students gave a short comedy, and Mason Taylor and Art Haase staged a gladiatorial combat. The program ended with a flute trio consisting of Shirley Taylor, Jean Freed, and Richard Mann. A dance was held after the banquet in the high school auditorium, which was decorated to represent a Roman garden. In place of a president, the Latin Club has had two coun-selors as heads of the organization. The officers were as follows: counselors, John Feightner and Caroline Lacy; secretary, Larry Feightner; treasurer, Lillian Niedner; social chairman, Nathalie Schwander; advisor, Miss Yukor.

MATH CLUBS

The goal of the math clubs is to promote and maintain an interest in mathematics and to acquaint the pupils with the more interesting and important phases of the subject. The Senior Math Club meets after school on the second Tuesday of each month and the program is in charge of a committee appointed by the president. Mathematical brainsters and fallacies are the usual topics of discussion. The use of the slide rule and methods of measuring the sun were explained by Mr. Lindberg, the advisor. The club had several social events, including a combination weiner roast and theatre party, a farewell party for Mr. Herrell, and a tea after one of the monthly meetings. The annual trips to Chicago University and to the Chicago Planetarium were taken. The officers of the club were elected at the first meeting of the year. The president is Genevieve Haller; vice-president, Marguerite Nelson; secretary, John Feightner; treasurer, Robert Fiala; Advisor, Mr. Lindberg.

The Junior Math Club consists of the younger students who enjoy mathematics, and their meetings are held after school every second Thursday of the month. This year the members made some original designs for membership cards; their most important feat was constructing a clever map project, which included a collection of various types of mathematics from all the countries of the world. This spring some educational tours to Chicago were taken to promote interest in math. The officers of this club are as follows: president, Betty Jean Anderson; vice-president, Joanne Hill; and secretary-treasurer, Marjorie Kendall.

MODEL CLUB

For "air minded" boys there is the model club, under Mr. Nelson's direction. At their weekly meetings they study aerodynamic design, by means of chalk talks and by demonstration. The clubs' most interesting activities are model contests in which stick models under 100 square inches in area are entered. The first of these contests, held in the fall was won by Martin Block, whose model stayed in the air 1 minute and 30 seconds. The second contest, held in April was won by Sherwood Daily whose plane stayed aloft 2 minutes and 22 seconds, setting a new club record which was formerly held by Bob Underhill at one minute and 45 seconds. Robert Underhill was the club's president for the year. The vice-president was Billy Hall and Bob Johnson served as secretary.

KODAK CLUB

The Kodak Club is composed of amateur photographers and those interested in the art of photography. At their meetings various photographic processes were discussed and studied. Mr. Pohlmann, an amateur movie enthusiast, showed several reels of his own pictures and gave some interesting information on "home movies." A bulletin board was hung in room 314 on which club members posted interesting snapshots. Access to a "flash" camera made it possible for a large number of "candid camera" shots to be taken in the halls, classrooms, and at plays, and dances. Members of the club cooperated with the Cauldron Staff in securing pictures for the yearbook. Officers for this year were as follows: Vera Barbier, president; Ruth Groves, vice-president; and Dorothy Eichorst, secretary. Mr. Lindberg, the advisor, was instrumental in stimulating the interest in photography.

BIOLOGY CLUB *Missed Wood.*

This club affords an opportunity for "budding bugologists" to further their study in zoology and botany. At the meetings rabbits, frogs, and fish are dissected, scientific talks are given, and movies of animal life are shown. Besides these monthly meetings the program committee plans various field trips for the club. Enthusiasm is so great that they are inspired to start on bird trips as early as six o'clock in the morning. In the spring the club enjoyed seeing the Tribune experimental farm and the Chicago Guernsey farm. The annual pet show, which is held in May, completes the club's activities for the year. This display includes birds, cats, dogs, chickens, rabbits, mice, fish, and other specimens, and it is an occasion that the whole school always enjoys. The officers are: president, Peggy Simonds; vice president, Mason Taylor; secretary, Mary Kendall; advisors, Mr. Holt and Mr. Daigh.

RADIO CLUB

The radio club serves as an efficient guide for all those interested in studying the elementary theory and practice of radio. At the weekly meetings topics such as the purpose of tubes, electricity, and modulation are discussed. Speakers furnish part of the program, and at one meeting Mr. Lindberg gave a talk on "Television". To be a licensed amateur operator is the desired achievement of all members, and the club is proud to have two boys who have attained that goal—Emerson Mejdrieh and Clarence Hambel. A student receives one-fourth of a credit each year by belonging to this club but, if he misses more than two meetings in a row he is disqualified as a member. He must also know the fundamental of radio theory so that he can pass the examinations which Mr. Wolfe gives twice a year. The officers of this club are: president, Clarence Hambel; vice president, Emerson Mejdrieh; secretary, Robert Beardsely; advisor, Mr. Wolfe.

BOOK CLUB

The members of the book club meet once a month to acquaint themselves with better books, and to interchange their opinions and ideas of modern publications. Each year the club has bought a book for the library. "Oil for the Lamps of China" by Alice Hobart and "Goodby Mr. Chips" by James Hilton have been the gifts so far. At the monthly meetings novels, biographies, travel books, and plays were reviewed. A clever idea was adopted for one program when each student wrote an original composition and brought it to the meeting. A general discussion of each contribution followed and helpful criticisms were offered. At the end of the year the club had a picnic at the Morton Arboretum and also visited the arboretum library, which contains a rare collection of nature books. The officers for the year were as follows: president, Jane Anderson; vice-president, Marjorie Westhafer; secretary-treasurer, Virginia Corson; advisor, Mrs. Andersen.

LIBRARY CLUB

To this club belongs partial credit for an efficient and smooth running library in our high school. The members, who were chosen on a basis of dependability and interest, were required to work certain hours during the week preparing news clippings, pasting scrap books, mounting pictures, and repairing books. One of the important achievements of the club was starting a library in the freshman study hall. The students took several trips to Chicago to visit the Field Museum, the Newberry Library, and the Kroch Bookstore. The program committee, consisting of Katherine Wolf, Marge Corson, and Mason Taylor, planned interesting book reviews and speeches for their meetings. Mr. Beadle spoke on his European tour; Mr. Taylor told of his trip to Mexico, and Mrs. Anderson talked on "How to Read Books." The officers of the club were as follows: president, Marjorie Krambs; vice-president, Margaret Peters, secretary, Stewart Millsap; advisor, Miss Natzke.

COMMERCIAL CLUB

The aim of the Commercial Club is to give typing and shorthand students practical information concerning office life, to create interest in commercial work, and to present a phase of business not given in class. The club had several guest speakers during the year. Mrs. Anderson spoke on the ways of applying for a job, and Mrs. Kingsley chose as her subject, "Experience in Office Work." At one of the first meetings, Miss Frush conducted a typing contest, and toward the close of school another contest was held to determine which team showed the most improvement in speed and accuracy. Officers elected for the year were: Vera Barbier, president; Lena Zahlit, vice-president, and Virginia Pezan, secretary-treasurer. Miss Frush served as the advisor for the organization.

ART CLUB

An extensive study of sketching was made by the Art Club as part of their program for this year. Club members posed for the various types of sketching as George Ganaway and Mr. Agnew instructed the organization. In addition to this work several meetings were given over to the fascinating art of soap-carving. Gay posters announcing and advertising the carnival and other school events were also the work of the group. Besides the club's regular art work it also has several social affairs. Trips were taken to the Art Institute and to an art studio in the Wrigley Building. A picnic was given in the early fall. Their weekly meetings were held Wednesday afternoons in the sewing room. As their officers they elected Howard Dill president and Virginia McCollum secretary. Miss Reuther was the advisor for the club.

HOSTESS CLUB

Organized this fall to experiment with ideas for entertainment, the Hostess Club has become one of the most active clubs in the school. Meetings were held every Monday evening at the homes of members to make favors and centerpieces and to discuss party plans. Mrs. Andersen's office served as the club's school headquarters where anyone wishing ideas for a party might get suggestions for favors, refreshments and entertainment. Their first social event, Valentine—Leap Year party, Feb. 7, was a pronounced success and brought a bevy of questions from would-be hosts and hostesses. Mrs. Andersen guided the club, and Catherine Hasselbacher, an alumna, instructed the girls in the making of clever favors and centerpieces.

THEATER CLUB

The Theater Club which has indefinite membership, was organized this fall for those who are interested in legitimate stage productions. The names of plays coming to Chicago were posted and those wishing to see them signed up and paid for their tickets in weekly installments. Among the productions witnessed by club members were "Dodsworth" starring Walter Huston, "Mansion on the Hudson," a monologue by Cornelia Otis Skinner, "Porgy and Bess," and Walter Hampden's portrayal of "Cyrano de Bergerac." In addition to these plays some of the members witnessed an opera, a performance of the American Ballet and an amateur production at the Y. M. C. A. College. Miss Hennis served as advisor, securing the tickets and chaperoning the parties.

HEAVYWEIGHT FOOTBALL SEASON

Wheaton played host to Downers in the first game of the 1935 football season. Millsap, Veysey, and Wilbur Littleford scored touchdowns. The score ended 22-2 with Downers on top. Proviso, the strong suburban team, was next in line. A hard game was played on both sides and the score ended 6-7 in Proviso's favor. A small team from Argo went down in defeat to the tune of 26-0 for Downers' next victory. The Hinsdale game proved disastrous even though Downers was the winner. Captain Wilbur Littleford dislocated his shoulder and was out for the rest of the season. The Maine and Riverside teams proved too powerful for the purple and white and both games were lost by big scores, 22-0 and 20-0 respectively. In the LaGrange game, Downers had the blue and gold backed up against their goal most of the time but could not score, and LaGrange won the contest 7-0 on an intercepted pass. West Chicago put up a good battle, but the heavier and more experienced Downers players overwhelmed them by the score 26-14. Soucek starred in this game with two touchdowns to his credit. In the next game with Glenbard, the green and white played up-and-up football and turned back the Trojans by the score 19-6. Grove Millsap made most of the tackles for Downers in this game. The last game of the season proved to be the best of the year. The Downers team still felt the sting of the Glenbard game and put on their best exhibition of football at the York field. The fighting Trojans held York twice on the goal line. Bozynski made the touchdown for Downers with "Stewy" Millsap making a safety. The score ended 8-6 in favor of the purple and white.

Eight seniors finished up their football careers in the York game: Captain Littleford, Lehmann, Jordan, Lack, Millsap, Reiman, Bozynski, and Soucek. The season totals up to five wins and five losses for a percentage of .500. The score does not always indicate what type of game was played. Downers gave every school a run for their money and though they were not conference champions, they played like champions.

Fred Veysey and Dick Dietmeier were chosen co-captains for next season. With a good backfield and three linemen returning, the 1936 Purple team should capture a conference title.

PLAY NO. 43

HEAVYWEIGHTS

CAPTAIN "WILLY" LITTLEFORD—called signals and was one of the best defensive ends in the conference.

"HAWKEYE" LEHMANN—opponents gained little yardage with "Hawkeye" as guard. Made first all-conference team.

"LOUIE" BOZYNSKI—hardest hitting back in the state—made all-conference.

CAPTAIN WILBUR LITTLEFORD—one of the best football players ever to go out of D. G. H. S.

"DUTCH" REIMAN—filled the tackle position well and made second all-conference team.

"TUBBY" SOUCEK—a fast and flashy back—played outstanding football all year.

"MOANER" LACK—couldn't ask for a more dependable center.

"BOB" WEISS—a capable sub for any guard position.

"SLUG" JORDAN—small in size but made up for it in fight.

"STEWY" MILLSAP—played end and made second all-conference team.

HEAVYWEIGHTS

"DON" MILLER—a fast and capable back.

"DON" HENDERSON—played a good game when he had the chance.

"BOB" JEFFERY—broke his ankle in mid-season and didn't get a chance to show his stuff.

"FRITZ" VEYSEY—captain-elect with plenty of fight.

"PUG" MILLSAP—capably filled Wilbur's position though only weighing 140 pounds.

DENNIS ANDERSON—being depended on for next year.

ALVIN KITLICA—a hard hitting end who could be called on anytime.

GEORGE SCHILLER—will hold his own against any football player.

"ALL-AMERICAN" DIETMEIER—captain of '36 team—watch him next year.

BILL STAIGER—a team has to have someone to practice on and Staiger was ever loyal in doing this.

PUNT

LIGHTWEIGHT FOOTBALL SEASON

The first encounter of the season for Downers' lights was with Wheaton. The teams were evenly matched and neither side scored. Captain Lyon, Ralph Mickey and Grove Millsap starred for the purple and white. Downers next entertained the suburban team from Proviso, but the strong blue and white eleven overwhelmed the Trojans by a score of 19-0. In the game with Argo the purple and white played heads up ball and turned back their opponents team by a score of 7-6. Bertolin got away for some nice long gains and Capt. Mickey played a strong defensive game. The next game was with the Red Devils from Hinsdale. Superior passing beat Downers in the last minute of play as the score ended 7-0 in Hinsdale's favor. Maine, who was undefeated during the season proved too much for the Downers team. The loss of Lyon and G. Millsap was felt heavily as the strong blue and white team romped through Downers for a decisive victory of 39-0. Riverside's heavier and more experienced team turned back the invading Trojans by superior blocking and running to the tune of 27-0. Captain Mickey felt the brunt of the defense as usual. The speedy LaGrange team was held to one touchdown in the first half of the next game. Lack of defense proved fatal to the purple and white in the second half, however, and the blue and gold rang up two touchdowns to win the game 20-0. In the next game with West Chicago, Capt. Mickey came through and made the only touchdown of the day. Both the backfield and linemen charged and tackled hard. It was Downers' first conference victory and the score was 6-0 in the Trojans favor. The invading green and white team from Glenbard had a tough afternoon beating Downers. Glenbard had a few breaks and made them good. The ponies deserve credit for holding the strong Glenbard team to so few points. Capt. Mickey played bang up ball all through the game, which ended 13-0. The York team seemed to score at will in the next game, winning by 30-0. Len Sadowski played a hard game at end.

Although the lightweights were not conference champions they came through in every game in true Trojan style. With eight fellows returning Coach Cressey's ponies ought to have a successful season next year.

PLAY NO. 48

Mickey, White, Nykel, Kailer, Winter.

LIGHTWEIGHTS

CAPTAIN MICKEY—a hard working field general. He carried the brunt of the attack and did all the punting. His defensive play was an inspiration.

"HOOP" WHITE—smallest center in the league but he out-fought the biggest. His passing was accurate. Also strong on defense.

"LES" NYKEL—did most of the passing and blocking in the backfield. His plunging gained many first downs.

"BILL" KAILER—a guard with experience, whose tackling was of the best. This position will be hard to fill next year.

"MOE" WINTER—played every position in the line equally well. Will always be remembered for his work in the Maine game.

LARRY BERTOLIN—an inexperienced but speedy back. Was out the latter part of the season because of a back injury.

"CURT" BRINK—his droll humor always furnished that something that made the boys willing to give all they had.

JIM HODOUS—didn't play his best ball until the end of the season. Was strong on defense.

"ROSY" ROSIER—small but he had plenty of speed to spare. His clever broken-field running gained needed yardage.

"DUB" DUBIEL—one of the best defensive linemen. Will be valuable asset to next years' eleven if additional weight doesn't eliminate him.

L. Bertolin, Brink, Hodous, Rosier, Dubiel.

Dubina, Boal, Kidd, C. Bertolin, Morris.

LIGHTWEIGHTS

"TUFFY" DUBINA—early injury cramped his style but he'll get another chance on next year's team.

BILL BOAL—a freshman end with plenty of promise. Another good prospect for next year.

FRANK KIDD—lack of weight was counteracted by heady, fast ball-handling. Has another year.

"CHUCK" BERTOLIN—fastest man on the squad. With proper training he ought to go places next year.

"STREAKY" MORRIS—a "natural." Although football was new to him, he showed remarkable ability as an end. Good defensively.

"P. B." BLAIDA—was always eager to show his heels to the opponents on sweeping end plays. Could snap passes from all angles.

"STEVE" LEHOCKY—a reserve in the back field. Always eager to do his best. He'll see more action next year.

"ART" HANSON—outstanding for his blocking ability. Saw action in most of the games. Will find his position waiting for him next year.

"LEN" SADOWSKI—a dependable lineman who showed his very best ability in the York contest. Another year to go.

"AUGIE" LEHOCKY—in spite of a repeating knee injury he was one of the best tacklers. Very seldom did a play get anywhere on his side of the line.

Blaida, S. Lehocky, Hanson, Sadowski, A. Lehocky.

HEAVYWEIGHT BASKETBALL SEASON

Again Downers Grove has a championship basketball team. They finished the Conference season with an amazing record of thirteen wins and one loss. Teamwork and good-heady basketball were displayed in all of this year's contests. Downers had the best defensive record of any school in the conference. In the entire season which includes all non-conference tilts, the totals showed nineteen wins and three losses. The starting five included Stew Millsap, Willie Littleford, Stretch Kidwell, Jack Lyon and Frank Scheck. These boys worked as a high-powered, smooth-working machine.

Only one pre-conference game was scheduled and that was played against Morton. The DeKalb invitational was entered during the Christmas holidays and the home five acquired two more wins and suffered their first defeat from West Aurora. LaGrange and Riverside furnished the stiffest competition for the Trojans but they were both beaten twice in close, hard-fought encounters. Hinsdale, West Chicago, Glenbard, and Maine were also beaten twice by the "champs." York's surprise victory over the Trojans found the home team unprepared for what the opposition had to offer. However, when these two teams met again, Downers proved that the other game had been a mistake by handing the Green and White a 31-22 defeat.

Captain Stewart Millsap

This year's five had what it took when it came to individual stars too. For instance: in one of the LaGrange games, it was Frank Scheck's beautiful longs that brought victory. Stew Millsap's 23 points in the Maine encounter put the home team way out in front. Willie Littleford was stellar against West Chicago while Stretch Kidwell could always be depended upon for his tip-in shots. Jack Lyon was a good steady player although he didn't do much heavy scoring. Four of the five were mentioned on the all-conference lineup. Millsap was chosen as captain and forward and Kidwell appeared as center. Littleford was named on the second squad and Lyon received honorable mention. Captain Millsap also appeared on the all-state lineup.

Next year's team will show an all together different array of players. The team will probably be built around Dietmeier, McMaster, and Malacka. Bobosky, Jenkins and Grove Millsap will also be out there playing.

HEAVY WEIGHTS

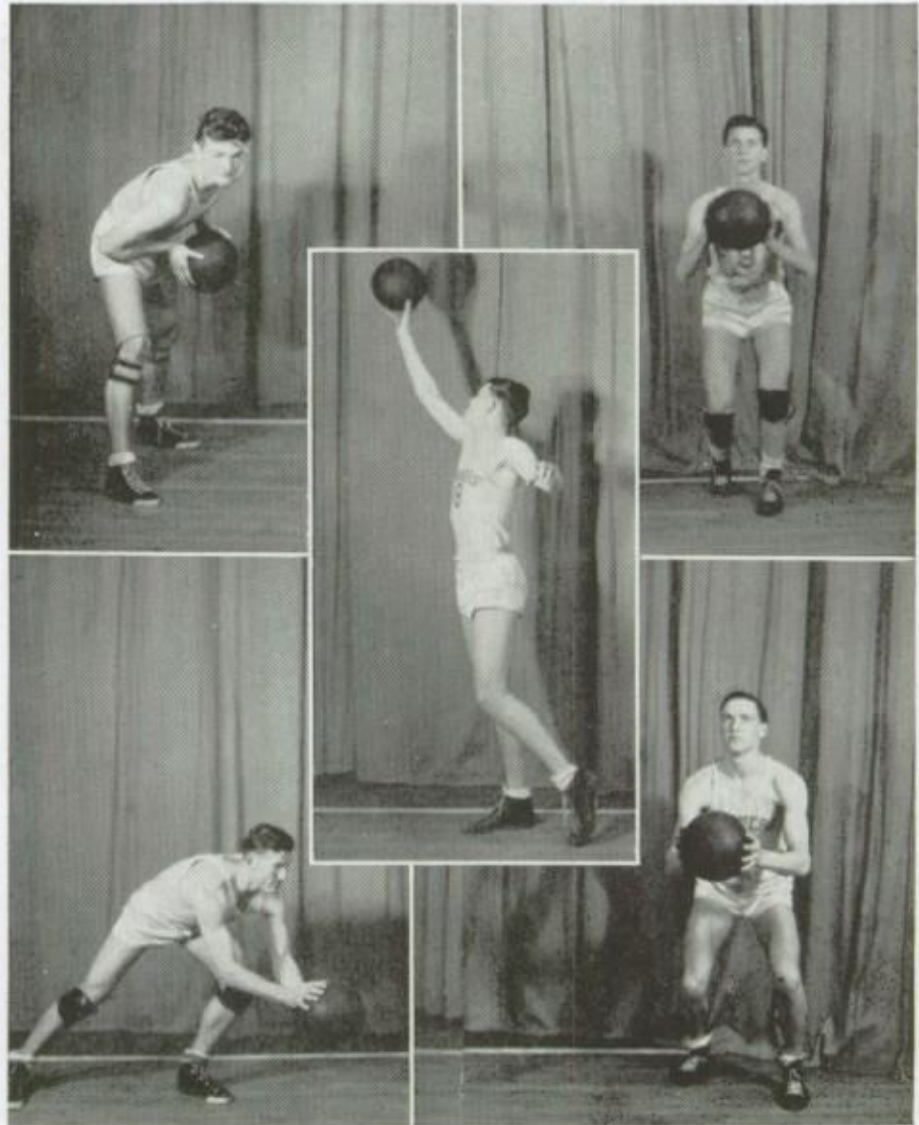

STEWART MILLSAP—Leading scorer in the conference, made second All-State, but best of all a great team player.

JACK LYON—An all conference lightweight who became the best defensive guard in the league.

JACK KIDWELL—His first year playing regular, and he made All-Conference. Watch him in college basketball.

FRANK SCHECK—A great defensive and offensive guard as was shown in the La Grange game when he made eighteen points. He always held the best of the opposing forwards to few points.

WILLIS LITTLEFORD—A four-year man with plenty of scrap who always came through in the pinches. He made Second All-Conference.

LIGHTWEIGHT BASKETBALL SEASON

For the second successive year the purple and white lightweights have given the spectators hair raising performances. They played Morton to two overtimes and in three other games came from behind to win by one point. The individuals watching the games worked harder than the players themselves. The first starting seven were Co-Captains Grabiec and Blaida, Diesing, Blakey, Rosier, Taylor and Feightner. All of these players showed up equally well. Captain Grabiec made all-conference, Paul Blaida was chosen second all-conference and Bob Rosier won a berth on the all tournament team. Blakey and Diesing did wonderfully well on defense while Taylor and Feightner filled in for everybody capably. The totals for the season were twelve wins and nine losses. They played in two tournaments, the Wheaton and Blue Island Tourneys. The Trojans finished fourth place in the conference and third place in the Blue Island tournament. They beat every team but Maine and LaGrange at least once. They were feared because they had a habit of upsetting the leaders. In their last game with Hinsdale the lights beat them 24-15 and this put Hinsdale out of the championship. If old man weight doesn't interfere the lightweights will have another good season next year. Rosier, Blaida, Diesing, Feightner, Plankinton and Kailer will be back to bother the other teams next season.

LIGHTWEIGHTS

Let's see you get into the All-Conference in football.
Paul Blaida.

CAPTAIN BLAIDA—a small hard playing forward. He broke up many games when the chances looked slim. He made second All-Conference.

BILL TAYLOR—a classy ball handler who showed most of his ability on defense. His constant efforts will be hard to replace on next year's squad.

HARRISON BLAKEY—first year on the squad and he played as a regular. He was a careful and dependable guard.

CAPTAIN GRABIEC—the main cog of the team on both defense and offense. He was chosen on the All-Conference team.

BOB ROSIER—fastest man on the team—specialized in taking the ball away from the opposition. He will see another year of service.

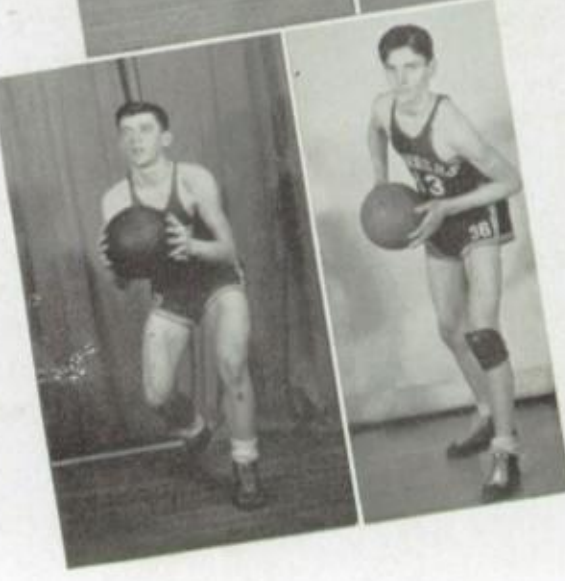

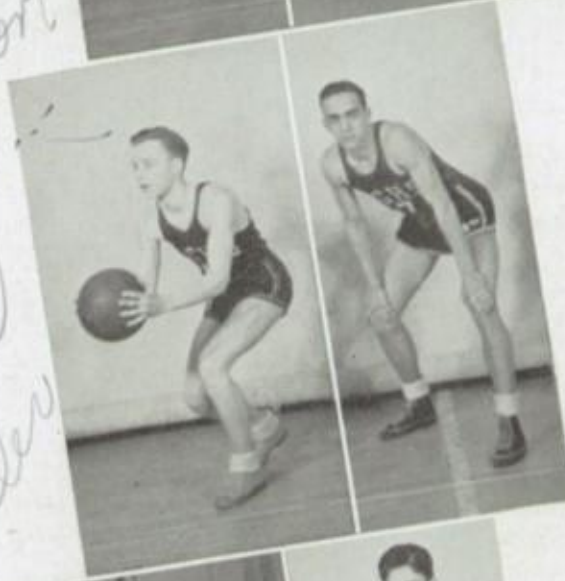

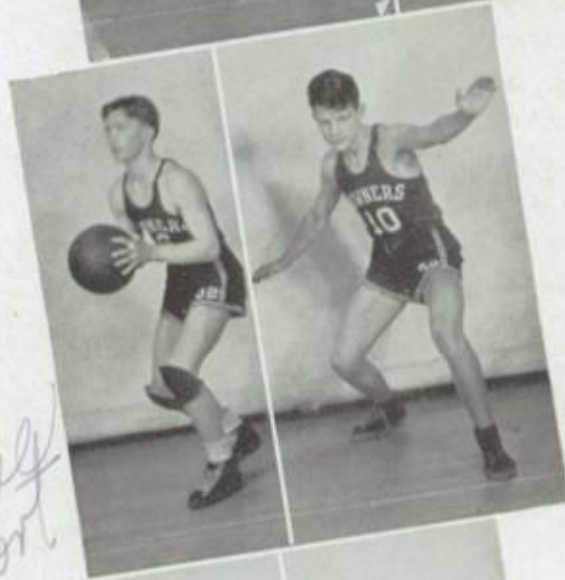

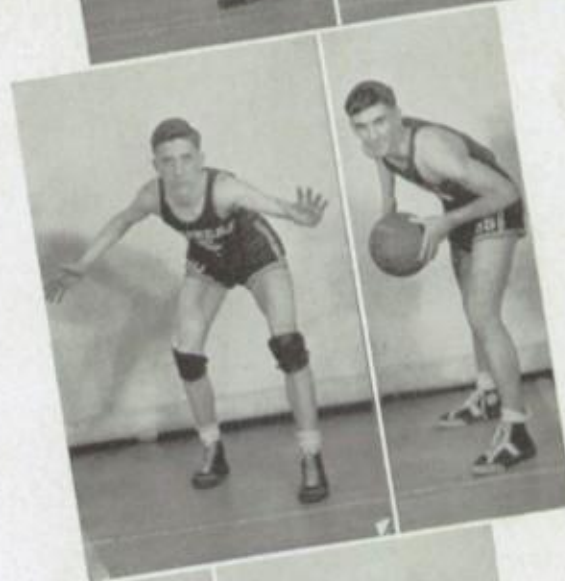

JOHN FEIGHTNER—saw action in almost every contest. His steady playing always made the game smoother. He has another year.

CHARLES KAILER—a sophomore with plenty of promise. He will bolster up next year's five.

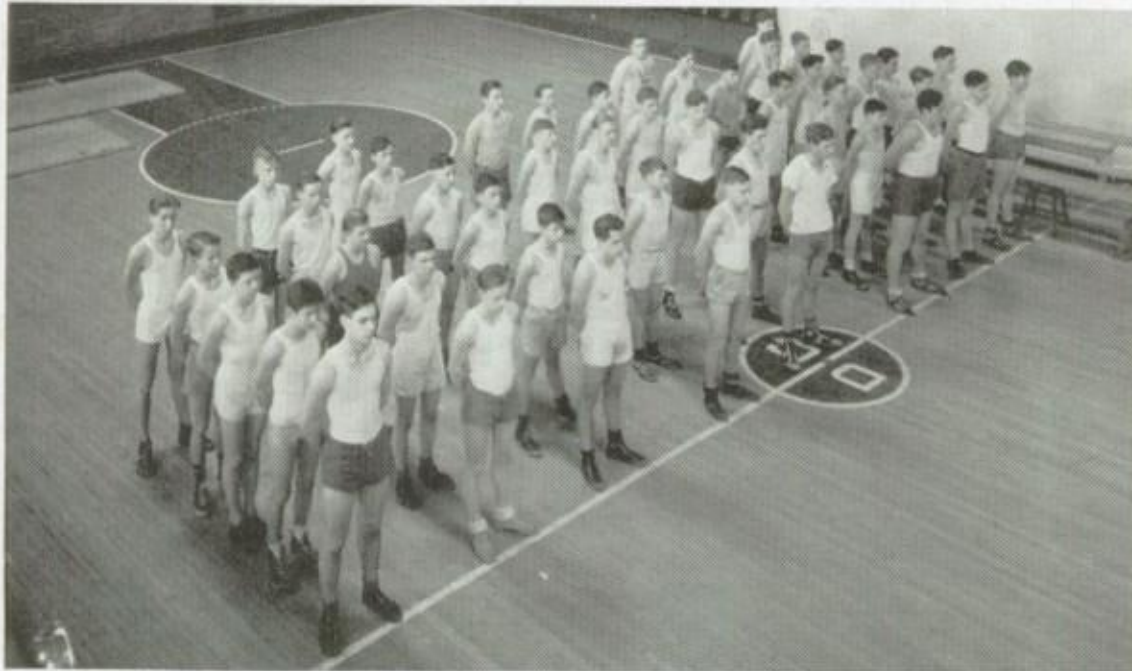

DICK WINTER—played good steady ball when ever given the chance. Always on hand to do his best.

PIERCE PLANKINGTON—a clever ball handler and a good shot. He will be playing for the lights next year.

WALTER DIESING—a sophomore who came through in the best of style. He will be a valuable man on next year's team.

With Captain Louis Bozynski leading the pack the Downers Grove track team has shown great possibilities of placing high in the conference meet. Last year they placed seventh with Reher taking a second in the 440, Soucek third in the javelin, and the relay team placing third. This year six triangular meets have been scheduled, and as the book goes to press, Downers has won two of them.

THE KIDDIE KAULDRON

LA TOUR

DEDICATION

We, the class of '09 (rah, rah) do hereby dedicate our Kauldron to young Josephus Orangeblossom, the typical student, in appreciation of his extreme efforts to make D. G. H. S. a bettah place to live. Josephus got a straight A in physics, donated three bicuspeds to the football field, and wrote the prizewinning English essay on "The Trowel and It's Uses."

1. This is why we keep warm even at 20° below.

2. The work shop and the buzz saw.

3. Lab. day in Chemistry

4. See page thirteen, number two—

The student council can be considered a more or lesser means of communication between student and faculty—example:

1st student: "Let's strike!"

2nd student: "We want shorter working hours and less classes."

1st student: "Take it up with the student council."

Three cheers! The faculty gets the afore-mentioned propaganda and we have a blue slip rally. Never-the-less—may we suggest—perhaps a later hour would be beneficial as to meeting time. Who can think at a quarter to 8, when the morning meal, having been literally pitched into the depths of one's stomach is battling roundly as to who gets first turn with the gastric juice—the spring tonic, or last night's cod-fish balls? However, a student council is an indispensable organization—says I.

Boo Hooie Lazynski: Boofle Boo (sniff, sniff,) Wahhhhh-uh-

Boug Dlakey: (patting him gently on the shoulder) Now "Booie"—brace yourself—kid—you're sobbing up to an awful wet down!

Mewart Stillsap (ambling slowly up to Setty B. Jatts) What are you going to be fifty years from now?

Setty B. Jatts (jumping up and down) An old woman. What will you be?

Mewart Stillsap: Wal, now that I'm a big politician I might stop at President of our United States and when I do I'll reunionize the best Senior Class to ever graduate from D. G. H. S. no other than the class of '36.

Class of '36 (in unison) Out into the world we go with our spirits hanging low.
(They pass out slowly, hanging their spirits on the—————)

EXTRA-KURRICULAR

FRENCH KLUB

In case you ever venture from our mother land to foreign soil, we have prepared for you a dictionary of "French for Americans". This is a very simple little booklet and can be tucked away in any vest or trouser pocket.

Vowels	Pronounced
a	ong
e	ong
i	ong
o	ong
u	ong

Phrases Most in Demand by Americans

<i>English</i>	<i>French</i>
Two weeks from tomorrow we sail for home.	Deux Semains from tomorrow, vous sail for home.
What kind of a dump is this?	Quelle Espece de dump is this?
Two hundred francs? In your hat.	Deux hundred francs? Dans your chapeau.
Oh Boy!	Oh Boy!
Very well.	Tres Bien.
Leave it in my room.	Tres Bien.
Good night.	Tres Bien.

BIOLOGY KLUB

Not to be outdone, the Biology Klub is presenting a little advice on "Cell Formations and their Works". As an introduction—we may say (as the warden said to the criminal) "Don't look now, but there's a cell behind you!!" A cell usually gets lonely and divides itself up into three. Then, not being particularly congenial (as three is a crowd) it keeps dividing up into other cells. They soon have a regular mob, so they elect a committee and give an art exhibit. However, a hard working member of the club has, through much research work, grafted a piece of potato onto the bud of a maple tree, the result being most peculiar looking. The member was put on trial for disturbing the piece, and the jury pronounced him guilty.

REPORT ROOMS

The report room, a newcomer this year is a decided asset, (in any man's language). The principal advantage of this morning sirocco is that of learning to yawn with the mouth shut. Reports on clubs are sometimes given, but the person doing the orating is usually asleep at the switch, and finds himself finishing last night's dream. (He was rudely awakened just when the pigmies had slit him open with a pen knife, and were about to garnish him with parsley and some of Grandma's home-made piccalilli.) It is also a good place to discuss foreign affairs and politics, being fifteen minutes in length, and just long enough for a black eye.
